

Der Herzinfarkt macht nicht nur Schmerzen

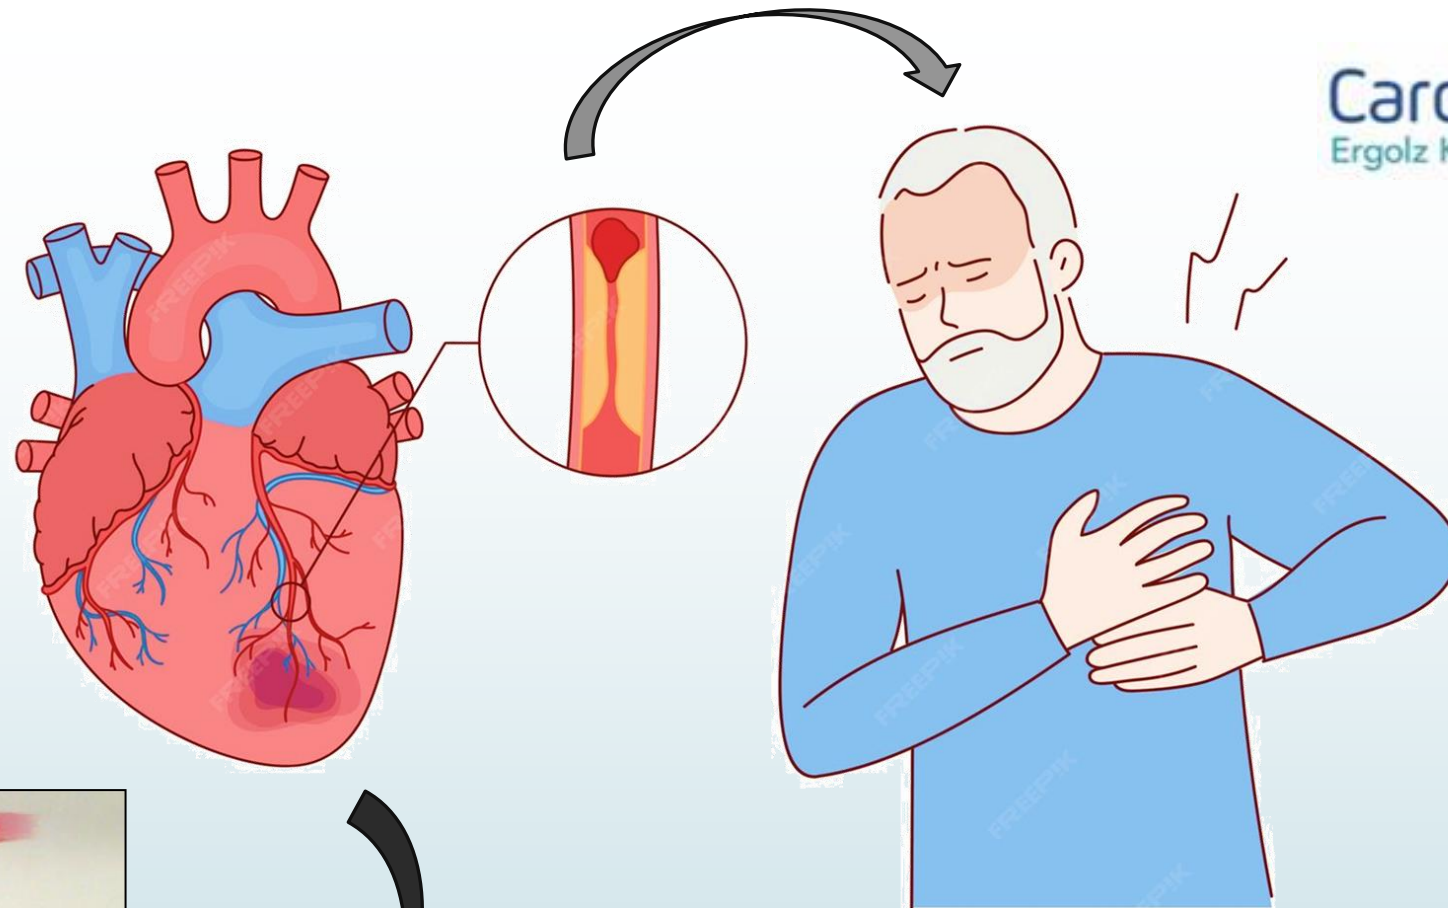

Prof. Dr. med. et phil. nat. Rolf Vogel

Cardiance Ergolz Klinik, Liestal

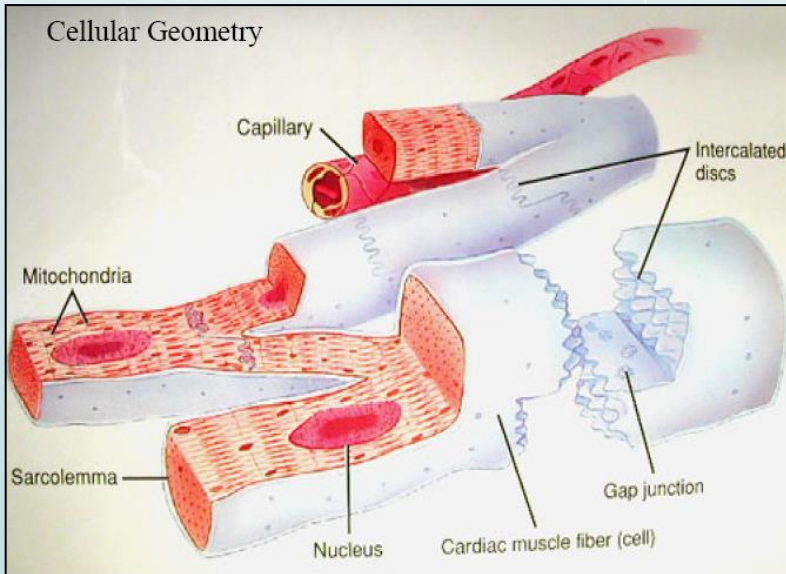

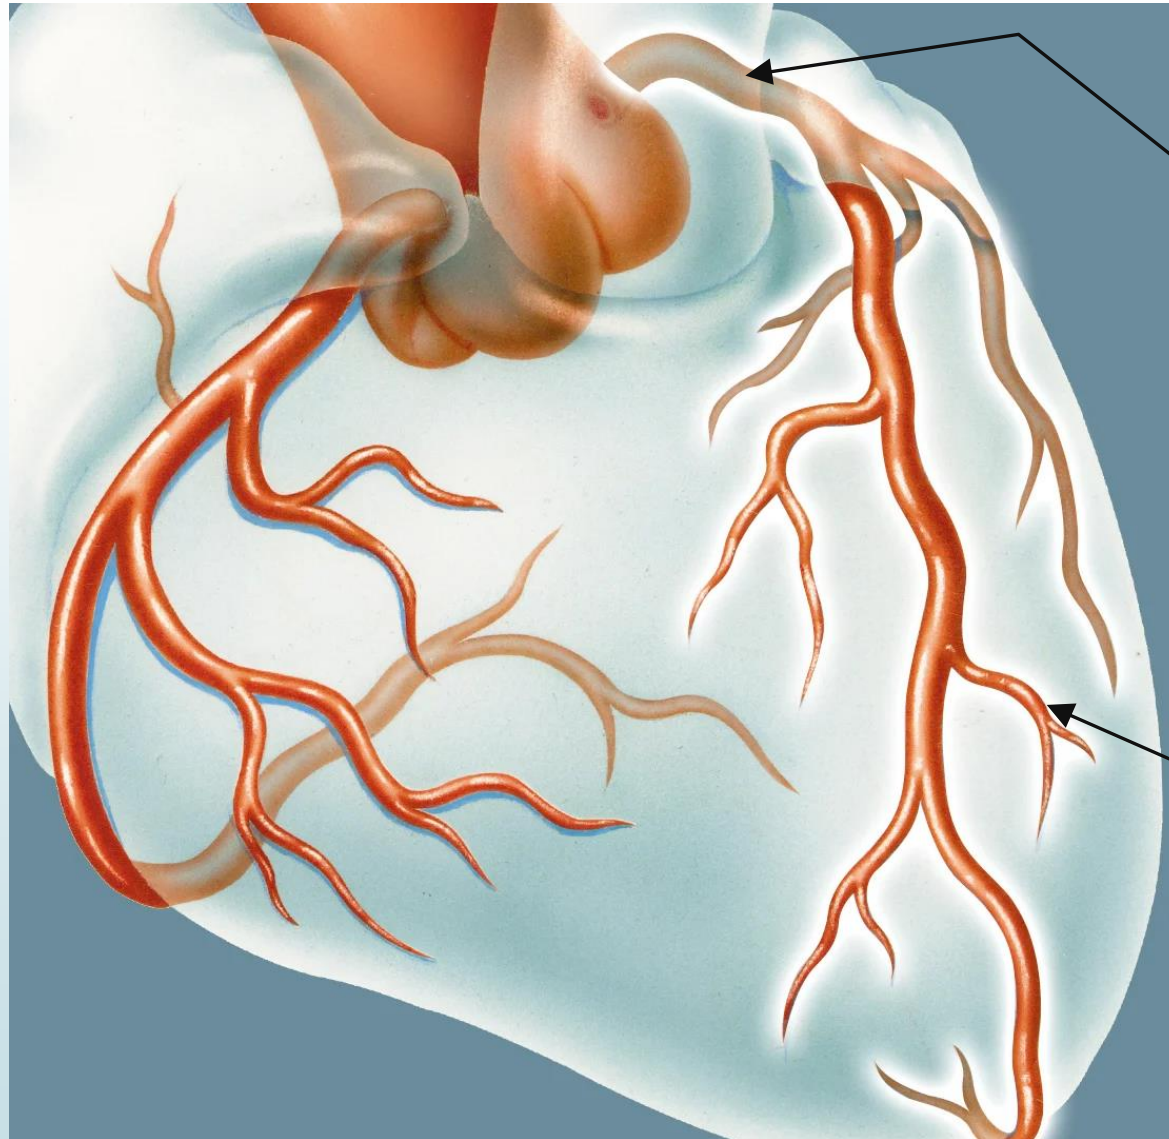

Herzinfarkt und Folgen

- Die bisschen Schmerzen gehen bald vorbei
- Man(n) muss auch mal auf die Zähne beißen
- Der plötzliche Herztod ist ein angenehmer Tod

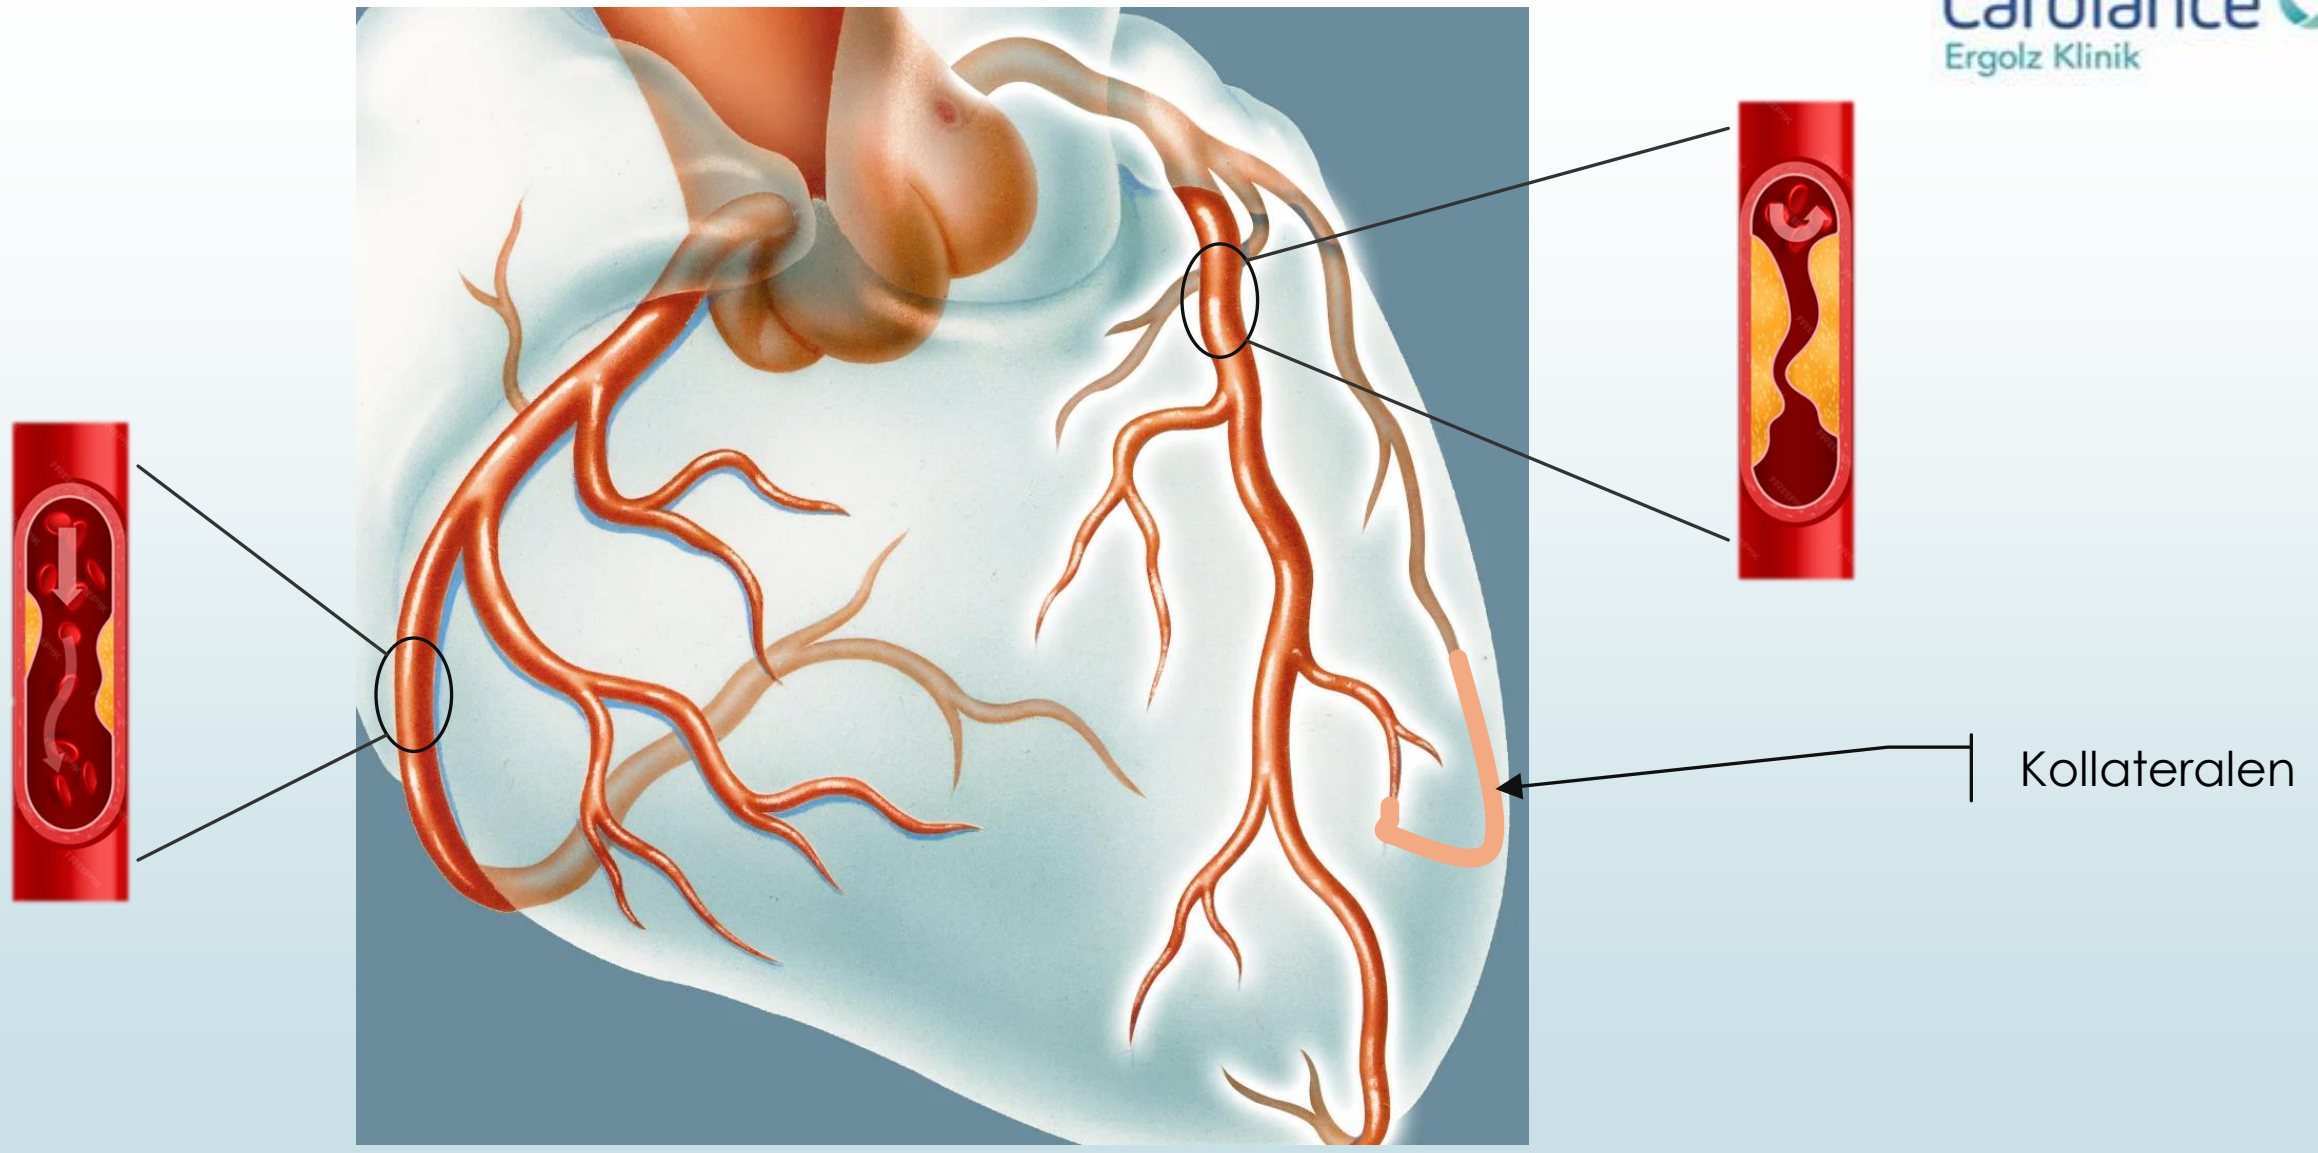

Cellular Geometry

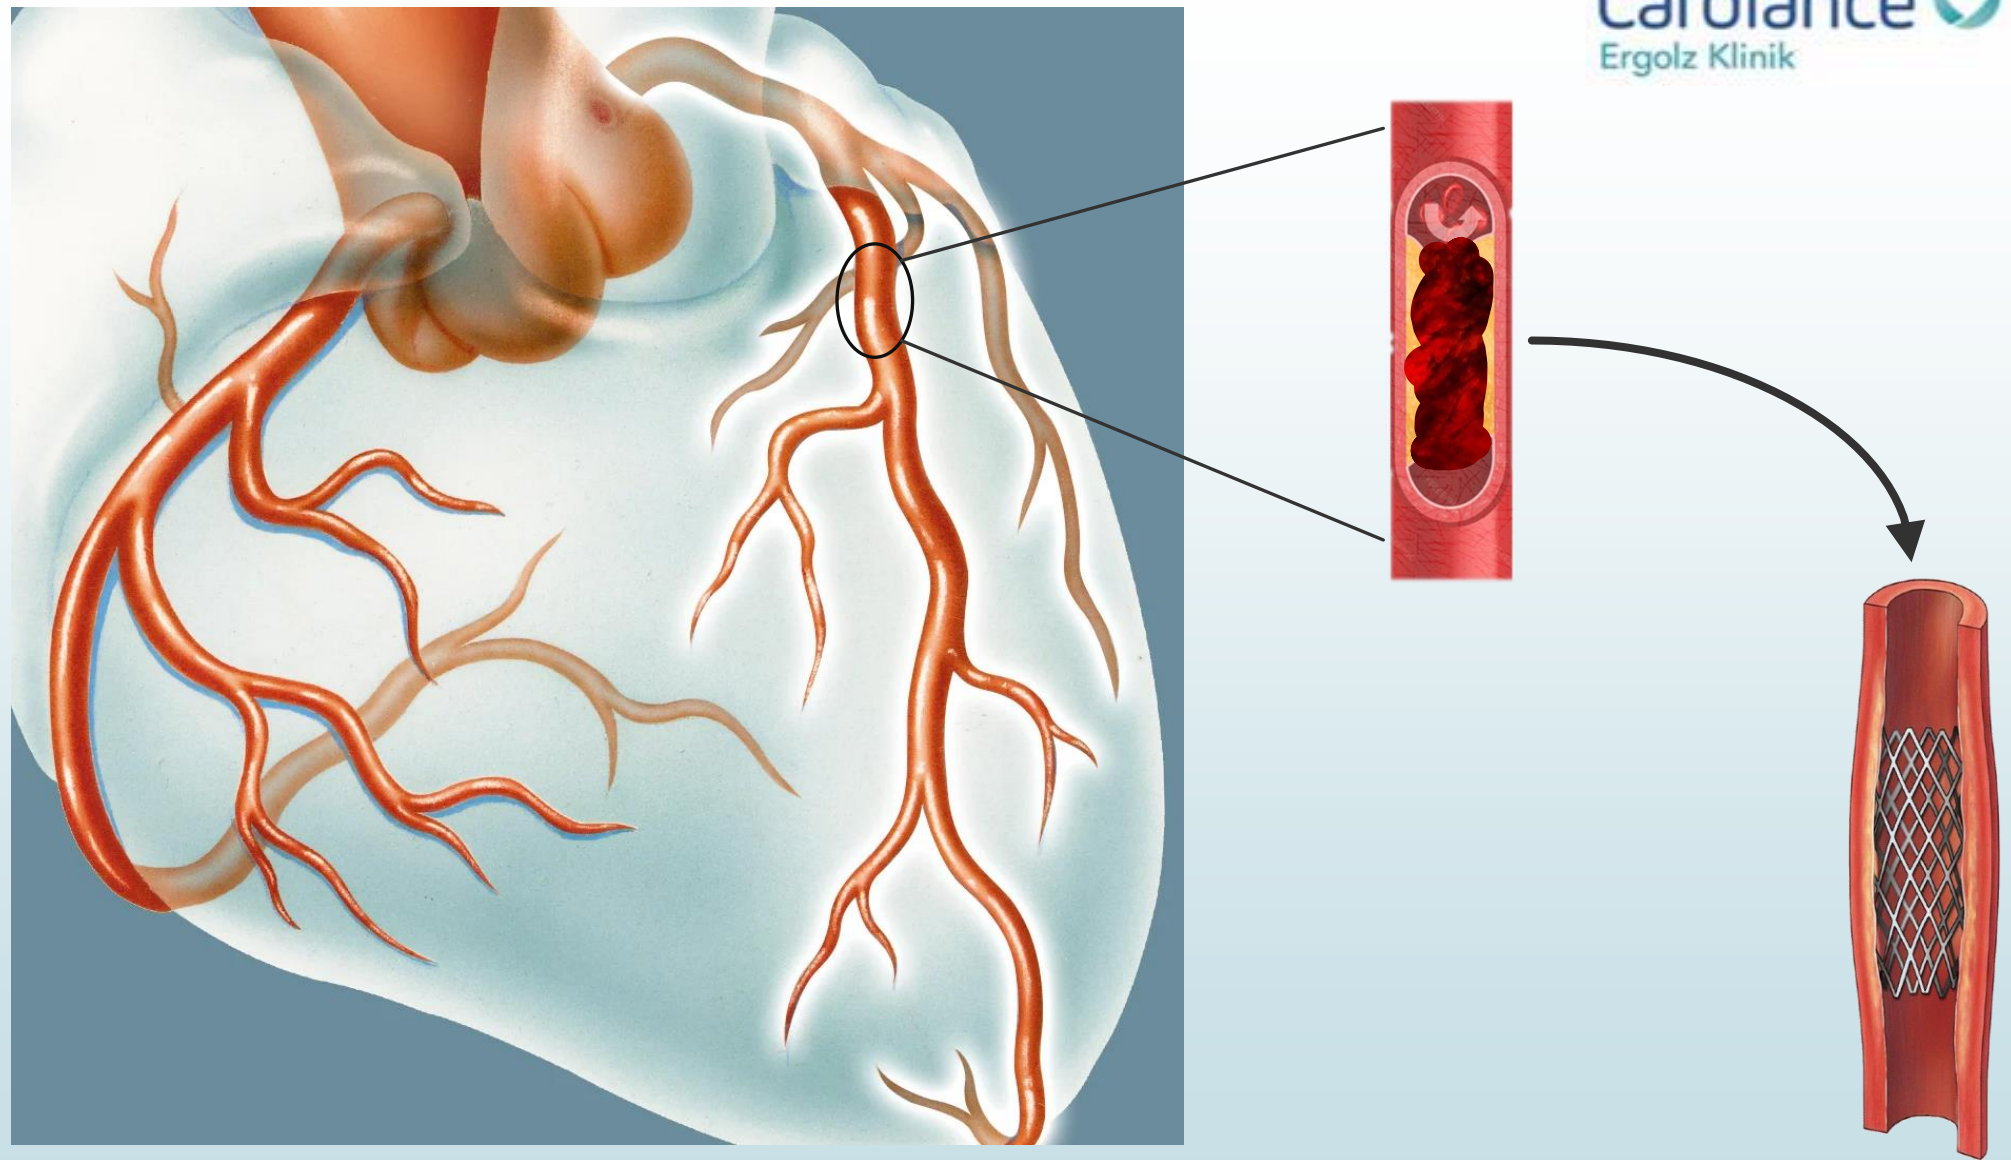

2/3 des Herzmuskels

1/10 des Herzmuskels

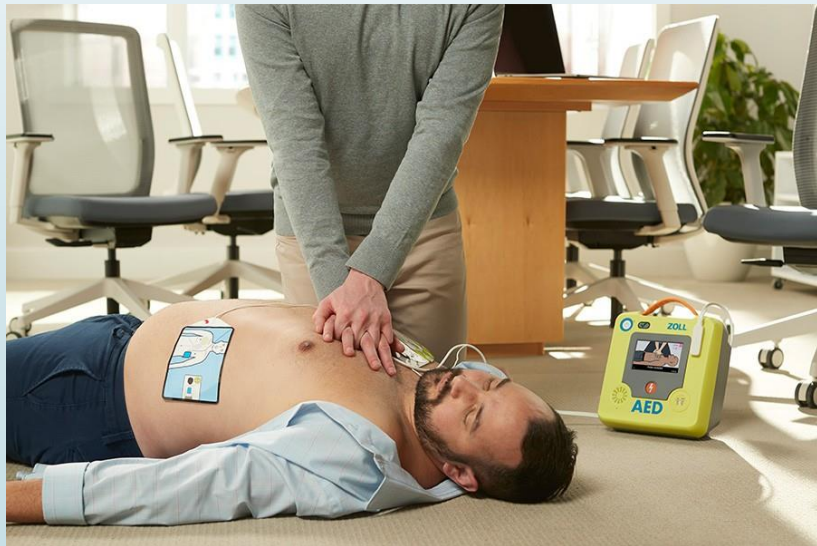

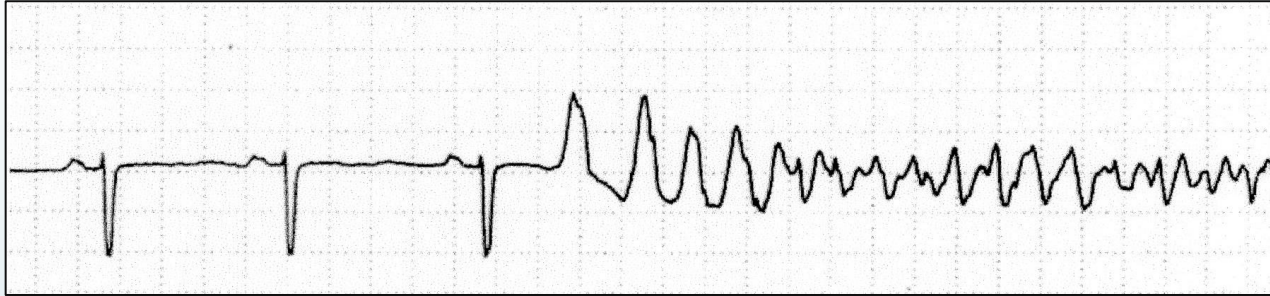

Zeit ist Herzmuskel

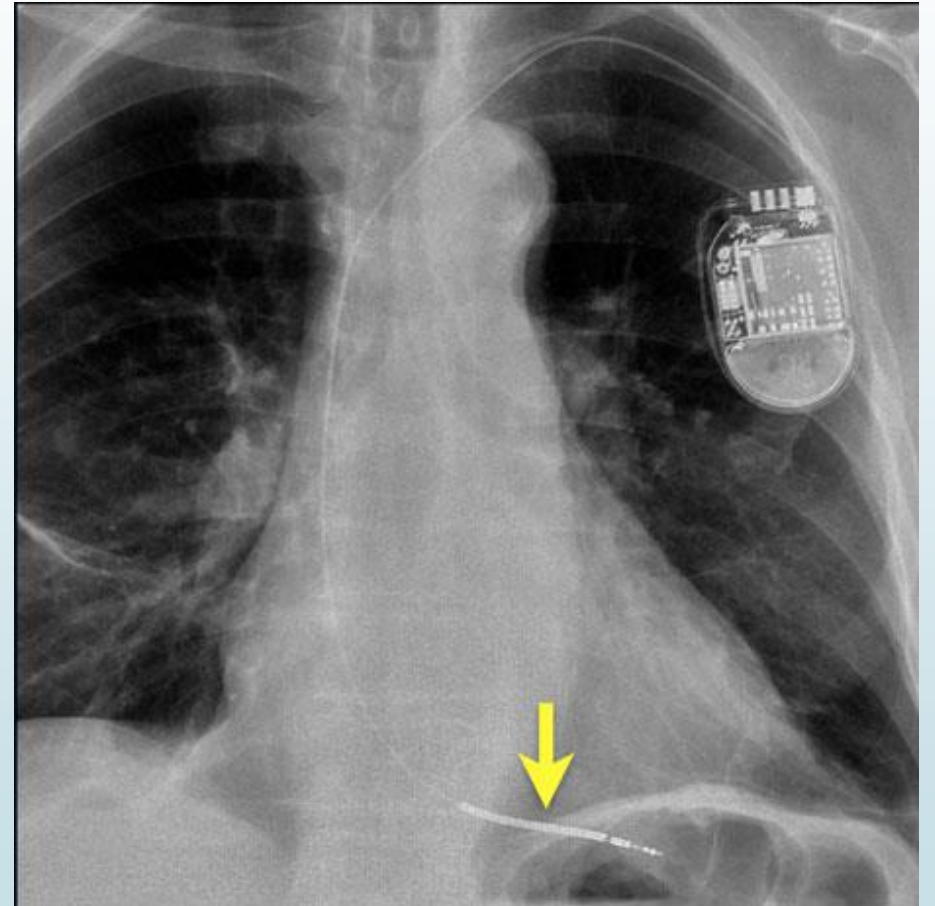

Metagenetics

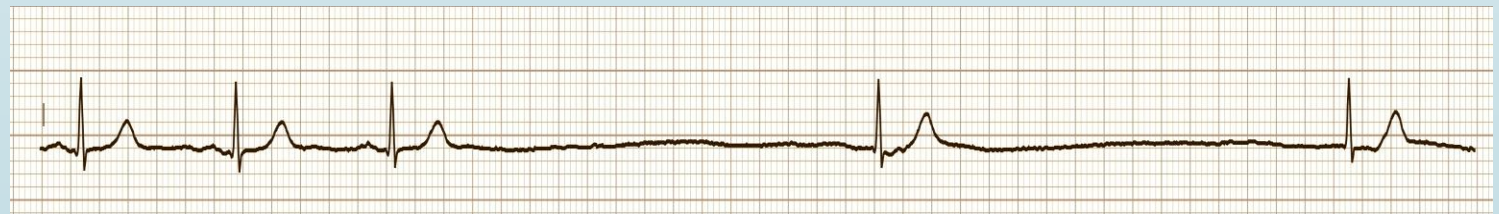

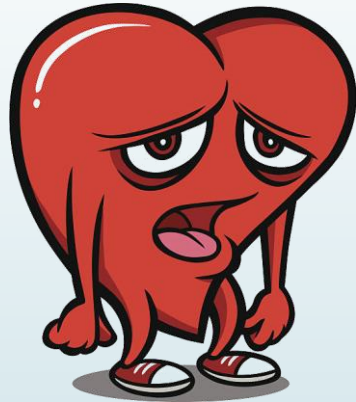

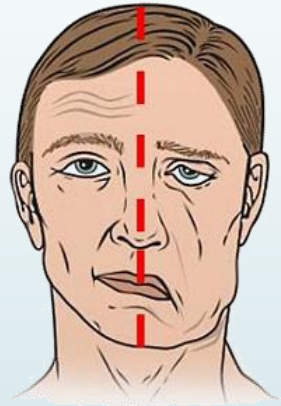

Elektrische Störungen

Procamed

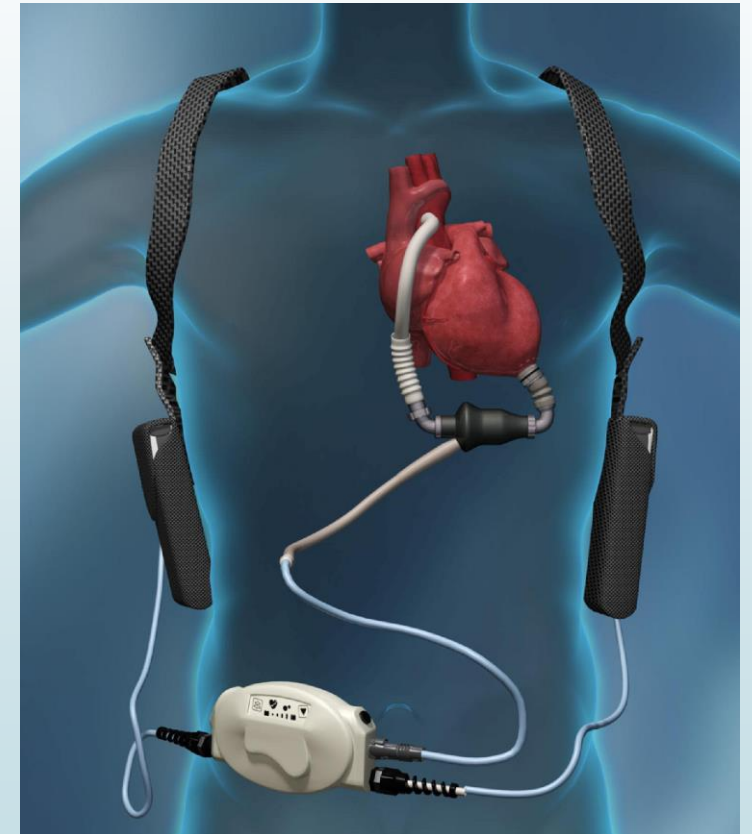

Radiology Assistant
